

What is God's revealed will for mankind's obedience?

For when Gentiles who do not have the Law do instinctively the things of the Law, these, not having the Law, are a law to themselves, in that they show the work of the Law written in their hearts, their conscience bearing witness and their thoughts alternately accusing or else defending them (NASB; Rom. 2:14-15).

God's revealed will for mankind's obedience is His moral law.
