THE PHANTOM OF THE OPERA

Jesus Christ Superstar

A rock opera

by Andrew Lloyd Webber
and Tim Rice

“The idea of the whole opera is to have Christ seen through the eyes of Judas, and Christ as a man, not as a God. And the fact that Christ himself is just as mixed up and unaware of exactly what he is, as Judas is.”

Mary Magdalene, a prostitute

He's a man, he's just a man
And I've had so many men
before.

In many ways
He's just one more.

And into which the snow melts.
